

Where to send donations for Gaza 11/2024

What can we do to stop the bombing and bloodshed in Gaza? We must call for a ceasefire and an end to military aid to Gaza.

I have decided to focus my donations on US peace organizations that are organizing protests and lobbying the US Congress and groups that protect our civil rights including violent attacks based on hate. I also suggest donating to independent, progressive media organizations. The list below is not comprehensive. It includes some health and other relief groups. Please write to me with your suggestions.

Here are some groups that are worthy of your donations. I have donated to many of these, and some of them every month. I wish I could donate to all of them. In addition to donating, you can read about actions for Palestine on their websites. We are a powerful peace movement.
